

# The San Diego region Knowledge Exchange for Developmental Math:

Faculty are supported in these knowledge exchange activities...

Share, adapt & re-use exemplary practices/resources

Discuss shared issues & explore potential solutions

Contribute ideas & expertise for projects at other colleges

Collaborate to create & adapt new practices/resources

...through these resources, processes and tools.

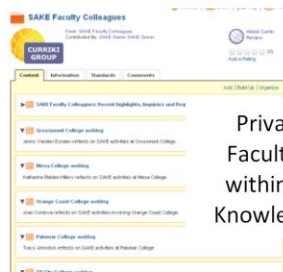

Departmental resource persons  
[Faculty Consultants]

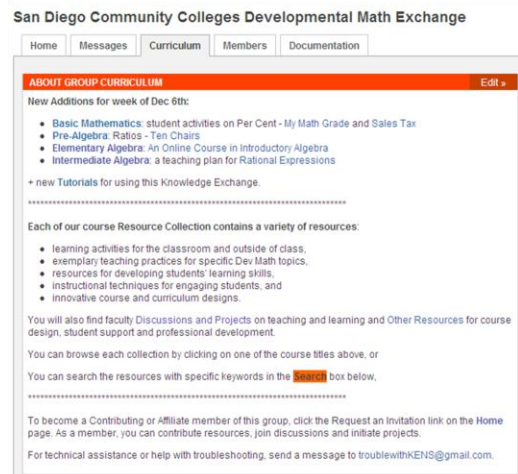

Occasional F2F & online meetings & workshops

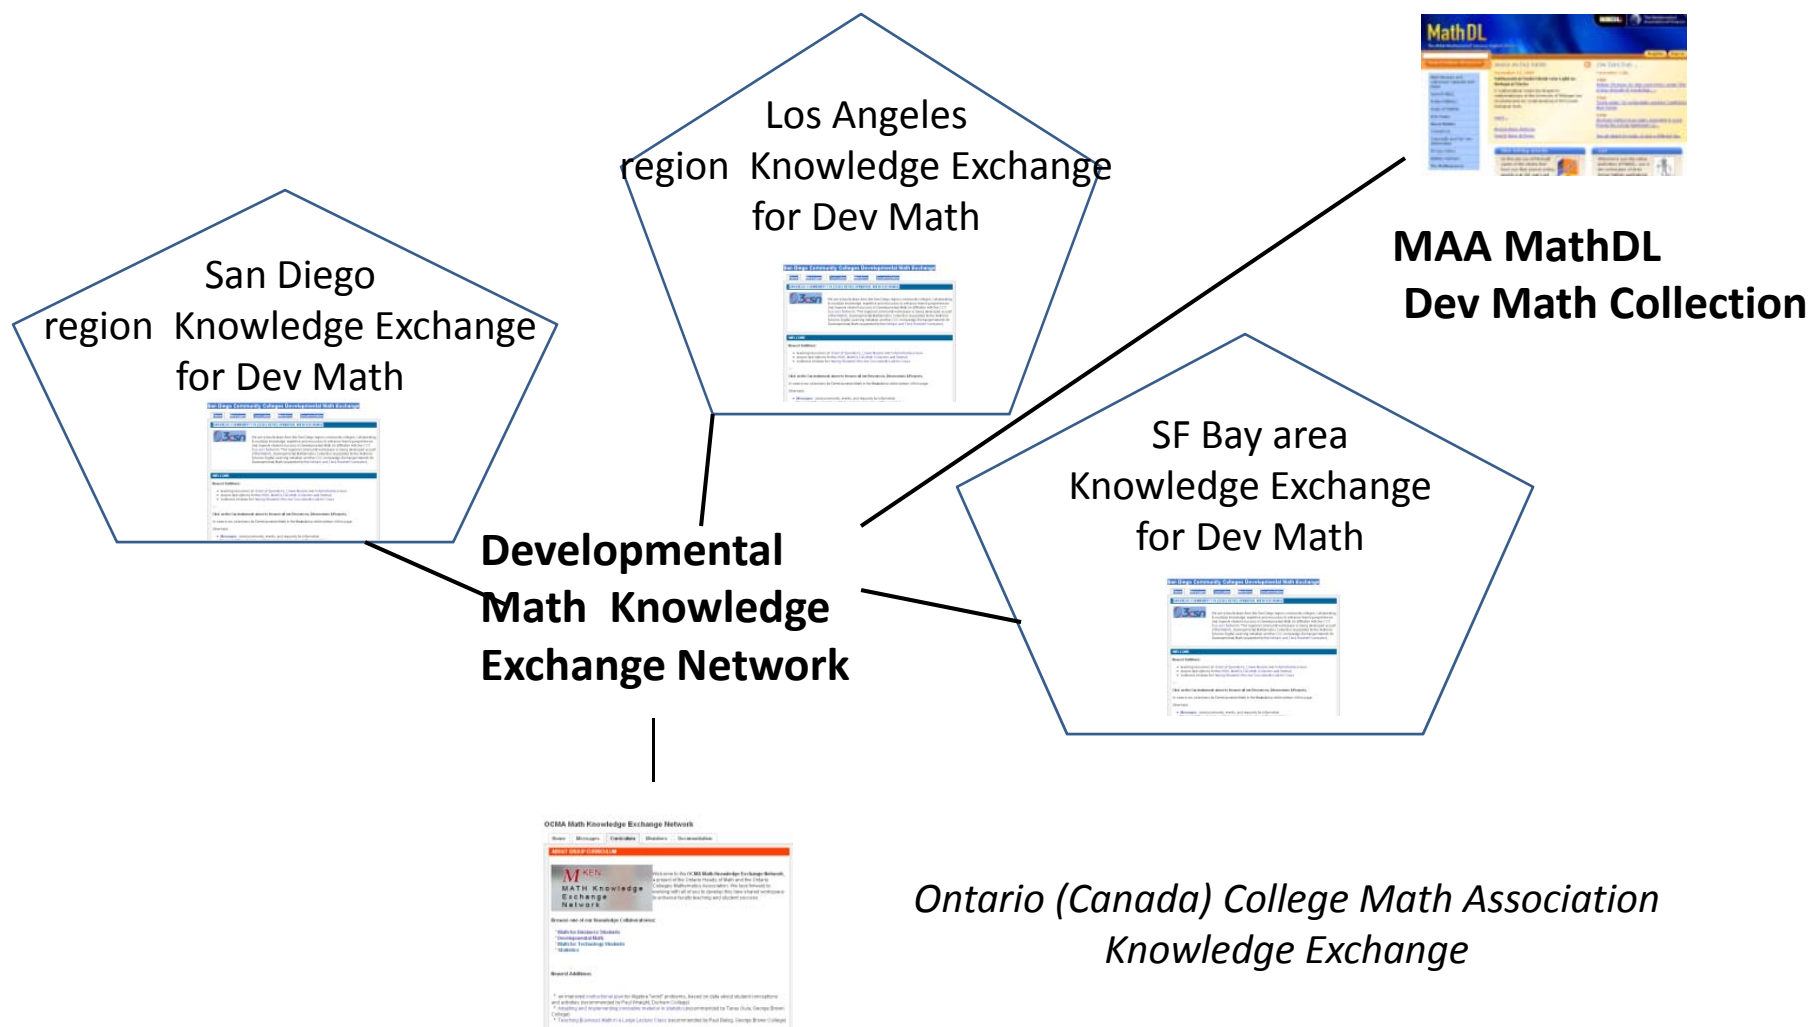

Online collaboration and exchange tools:  
<http://tinyurl.com/sakedevmath>

Private space for Faculty Colleagues within the regional Knowledge Exchange

# Linking regional Knowledge Exchanges into a Knowledge Exchange Network
